We’re taking another break for some creative writing. Your assignment this week is to write a 1-2 page response to the following writing prompt. Remember to use the techniques and grammar topics we have been using in your writing. Your response should be 1 or 2 pages in length, double space, 12 pt. Times New Roman.

**Prompt**: Write a story for children. Start with “Once upon a time” or “Long ago in a land far away.” Include a dragon, a deadly flower, and a mask.
