

Pleasant Hill CUSD #3

Home Athletic Contest Covid-19 Protocols

In accordance with IDPH & IHSA guidance, Pleasant Hill CUSD #3 has developed the following guidelines for their home high school football games during the 2021 spring season.

1. The visiting team is responsible for screening all coaches, athletes & any additional team personnel - i.e. scorekeeper - for COVID symptoms per IDPH guidance. If possible, this should be completed prior to arriving on Pleasant Hill CUSD #3 grounds.
2. Visiting teams will receive a pass gate list that should be completed and brought to the game. It can be given to Ron Edwards.
3. A limited number of fans will be allowed into the Pleasant Hill facilities. See next page for details.
4. The visiting administration, coaching staff, bus drivers, and players will not count against capacity limitations and will not need a ticket/wristband.
5. Everyone in attendance will be required to wear a mask at all times and should social distance when not actively in the game.
6. The visiting team's bench will be located on the west side of the field. It is the coaching staff's responsibility to ensure their team is socially distanced and wearing masks when not actively playing.
7. We will be streaming our home games via YouTube live. The link or any alternative link for this type of streaming will be shared the week of the game.
8. Locker rooms will be open for home and visiting teams.

Pleasant Hill Football Attendance Guidelines
