

## **Pleasant Hill CUSD #3**

### **Home Athletic Contest Covid-19 Protocols**

In accordance with IDPH & IHSA guidance, Pleasant Hill CUSD #3 has developed the following guidelines for their home high school volleyball games during the 2021 spring season.

1. The visiting team is responsible for screening all coaches, athletes & any additional team personnel - i.e. scorekeeper - for COVID symptoms per IDPH guidance. If possible, this should be completed prior to arriving on Pleasant Hill CUSD #3 grounds.
2. Visiting teams will receive a pass gate list that should be completed and brought to the game. It can be given to the administrator on duty or a member of the bench crew.
3. A limited number of fans will be allowed into the Pleasant Hill facilities. See next page for details.
4. The visiting administration, coaching staff, bus drivers, and players will not count against capacity limitations.
5. The visiting team's bench will be located on the north side of the west bleachers. It is the coaching staff's responsibility to ensure their team is socially distanced when not actively playing.
6. Everyone in attendance will be required to wear a mask at all times, and should social distance when not actively in the game.
7. During the JV game, the visiting varsity team is expected to socially distance behind the visiting team's bench. The visiting JV team will be assigned the same location during the varsity contest.
8. Concessions will be available. We also have a water bottle filling station, so members of the opposing team should bring their own water bottles.
9. We will be streaming our home games via YouTube live. The link or any alternative link for this type of streaming will be shared the week of the game.
10. Locker rooms will be open for home and visiting teams.
11. Restrooms will be available.

### **Pleasant Hill Volleyball Spectator Guidelines**

- In compliance with IDPH and IHSA protocol, Pleasant Hill CUSD #3 will be limiting the number of spectators at volleyball contests to 100 people.
- Sign in is required
- Masks will required of all players, coaches, event staff, and spectators
- Opposing teams will be allowed one guest per player
- Admissions will be charged; the admission price for guests is as follows:
  - Adults: \$4
  - Seniors/Students: \$3
- Restrooms & Concessions available
