Jr. High & High School Spring Concert this Wednesday

The Elementary Spring Concert is this Wednesday, April 27 at 7:30pm in the small gym on stage at the High School.

A reminder of concert etiquette and expectations:

- PLEASE find a seat before the concert begins. In the event there are no seats available, find a place to stand along the wall.
- Silence all cell phones, watches, and any other electronic devices.
- Remain quiet and seated during the performance. Talking and/or excessive movement during the performance is disrespectful to the performers as well as distracting to others in the audience.

Morning Drop Off at Elementary

Reminder – all students should be dropped off in the FRONT of the elementary in the mornings.

School Board Reorganization

This Tuesday our school board will reorganize and say good bye to two long-time members, Mike Peebles and Christal Crowder. Mike has served on the School Board for more than 20 years, and Christal served more than 10 years. Their even-keeled personalities, their support of teachers, and their experience will be missed!

We welcome two new board members, Aaron Rodhouse and Sydney Crowder. Both will be sworn in on Tuesday.

Other members of the School Board include Traci Buchanan, Shawn Carpenter, Braden Damon, Steve Hammitt, and Tracey Harrison.
