

Pleasant Hill CUSD #3

2026–2027 Progress Monitoring

Measuring Growth. Guiding Improvement.

Pleasant Hill CUSD #3 continuously monitors implementation and student outcomes to ensure our Strategic Plan and School Improvement Plan remain focused on results. Data is reviewed collaboratively and used to refine instruction, interventions, and district initiatives throughout the school year.

■ Student Achievement

- | |
|---|
| • NWEA MAP benchmark assessments |
| • Classroom formative and summative assessments |
| • Progress monitoring for targeted interventions |
| • Review of student growth and achievement trends |

■■■ Instructional Practices

- | |
|---|
| • Learning walks and classroom observations |
| • Professional Learning Community (PLC) meetings |
| • Instructional coaching and feedback cycles |
| • Implementation checks for curriculum and instructional strategies |

■ District Performance

- | |
|---------------------------------------|
| • Attendance and behavior data |
| • Illinois 5Essentials Survey results |
| • School Improvement Team reviews |
| • Board of Education progress updates |

One Team. One Purpose. We use evidence, collaboration, and continuous reflection to ensure every student has the opportunity to succeed.
