2026–2027 School Improvement Goals

Turning Our Strategic Vision into Student Success

These annual priorities identify the district's most important improvement goals for the 2026–2027 school year. They support the Strategic Plan through measurable outcomes focused on student achievement, family partnerships, and preparing every student for future success.

■ **Academic Excellence**

Increase Reading Growth from the 42nd to the 50th percentile and Math Growth from the 43rd to the 50th percentile on the NWEA MAP Growth Assessment by Spring 2027.

■ **Family Engagement**

Increase parent perceptions of communication, involvement, and influence from 49 to 54 on the Illinois 5Essentials Parent Survey by Spring 2027.

■ **Future Readiness**

Increase School-Wide Future Orientation from 26 to 35 on the Illinois 5Essentials Survey by Spring 2027.

One Team. One Purpose.

Together, we are committed to continuous improvement, exceptional learning opportunities, and the success of every Pleasant Hill student.
